

Aidan Cipra
BookSmiles Warehouse Associate

Aidan comes to BookSmiles with a myriad of work experience, ranging from the theater to the cemetery. Some of that experience was working for Barnes and Noble, so he is very excited to be getting back into the book world. He is also elated to be helping make a difference and be more involved in the community.

Aidan graduated from Northern Arizona University with a Bachelor's degree in Theatre in 2018, and then moved to the east coast in 2020. He has a penchant for collecting things for seemingly no purpose, including: bottle caps, marvel comics, etc., Most of his weeknights, Aidan can be found playing Dungeons & Dragons (or other Table-top Role Playing Games) or feeding his cat, Curtis.
