

Aniha Bhut- BookSmiles Ambassador

Aniha has always loved reading. The Pinkalicious books by Victoria Kahn were her favorite when she was little. Series like *Percy Jackson and the Olympians* and *The Hunger Games* were a huge part of her childhood. She hopes others will enjoy reading as much as she did through promoting literacy. Aniha began sorting books at BookSmiles at the beginning of 2022 and started collecting books soon after. She has collected over 5,000 books. Aniha is currently a senior at Eastern Regional High School where she participates in DECA, Model UN, and Student Council.
